***La Planette – Les Cuvées Rares – AOP Minervois la Livinière 2016***

Malty, ripe plums. Intense blueberry fruit on the palate – really intense! As if distilled into essence of blueberry with a powdering of violet petals and candied rose petals and Turkish delight. Explosively ripe. But, just, doesn't taste confectioned. Perhaps because of great acidity, a strong skein of wild resinous herbs and the firm hands of tannins holding the mid palate. An intriguing wine that hasn't quite come together yet. (TC)
