SAINT CHINIAN Le Saint Festin Blanc

The terroir of Saint Chinian is better known for its reds than its whites, but this apparently arid and rocky land is in fact very varied. The altitude, the freshness, and the depth of certain soils lend themselves perfectly to making fine white wines.

A gleaming, buttercup yellow wine. The nose is subtle and delicate with floral notes of peony and honeysuckle, followed by apricot, peach and cedarwood. Barrel ageing has mellowed the tannins which are fine, fresh, and elegant. The palate has superb persistence, with orange blossom and acacia flower, followed by a touch of grapefruit and finishing on soft notes of honey and almond. A wine of great ageing potential which will develop splendid oxidative notes over time.
