## SAINT CHINIAN Le Saint Festin White

The terroir of Saint Chinian is better known for its reds than its whites, but this apparently arid and rocky land is in fact very varied. The altitude, the freshness, and the depth of certain soils lend themselves perfectly to making fine white wines.

A gleaming, buttercup yellow wine. The nose is subtle and delicate with floral notes of peony and honeysuckle, followed by apricot, peach and cedarwood. Barrel ageing has mellowed the tannins which are fine, fresh, and elegant. The palate has superb persistence, with orange blossom and acacia flower, followed by a touch of grapefruit and finishing on soft notes of honey and almond. A wine of great ageing potential which will develop splendid oxidative notes over time.

### TECHNICAL SHEET

#### Appellation

AOP Saint Chinian

#### Vintage

2023

#### Varieties

White Grenache 40 %, Vermentino 30 %, Roussanne 20 %, Viognier 10%

#### Alcohol

14 % alc./vol

#### Terroir

Limestone clay hillsides

#### Vinification

Destemming, direct pressing, static settling over 24 hours to conserve the lees. Thermo-regulated fermentation at 16 - 18 °C for 15 days, with racking 10 days later to eliminate the coarse lees. Aged on fine lees at 10 °C with no added sulphites for one month, before going into barrel.

#### Ageing

Concrete vats: 50 %

Barrels 1 to 2 wines old: 50 %

Addition of SO<sub>2</sub> in spring. Partial malolactic fermentation on 25% of the barrels.
