VILLA BLANCHE

Piquepoul Noir

Pale yellow with greenish reflections. The nose offers a good intensity of aromas, with citrus notes of lemon and pink grapefruit, kiwi and fresh mint. Making a great impression on the attack, the wine reveals balanced notes of mango, peach, melon, pineapple on the mid palate, and a clean, mineral and agreeably saline finish. Elegant and easy to drink in its youth, this is a wine that will evolve magnificently in bottle to express more briny, spicy notes. A Picpoul de Pinet of great poise that is perfect at table or as an aperitif, as an accompaniment to all types of seafood, and cheeses.
