VILLA BLANCHE

Terret Blanc

his heritage variety from the Languedoc planted around the Thau lagoon was largely forgotten at the end of the 20th century before coming back into favour with the resurgence of the Languedoc cultural identity. The 2024 vintage has given a pale-yellow wine with an agreeably fruity, fresh nose, with lemon, mint and aniseed followed by fresh spicy notes. A pure, refreshing, and complex wine with the brightness of mandarin and grapefruit mingled with white pepper and star anise, and a lovely mineral finish of flint and graphite. This typical variety from our region will match perfectly with a shellfish platter, fish, seafood, or white meat dishes. A must try!
