## LA LIVINIÈRE LA PLANETTE

Deep red, almost black in colour. The nose opens with intense aromas of strawberry, blackcurrant, and prune that after swirling evolve to notes of truffle, and mocha, adding to the complexity. The tannins are powerful, smooth, stretching out to the long finish. The palate reveals an aromatic complexity of blackberry, preserved cherry, and black fig, before evolving to softer notes of vanilla, coconut and a finish of eucalyptus. A structured, expressive wine, that is the perfect incarnation of this altitude terroir.
