

CARMEL & JOSEPH

CRÉATEURS DE GRANDS VINS
en Languedoc-Roussillon

POMONE Orange Wine

With an amber-orange color, bright and clear, the wine shows a beautiful brilliance in the glass. The nose opens on delicate aromas of dried flowers, ripe quince, and candied mandarin, complemented by a hint of dill and cumin. On the palate, the attack reveals very supple tannins, long and persistent, where different layers of bitterness intertwine harmoniously. The mineral backbone comes through with a fine flinty note, quickly followed by spicy accents of curry and white pepper, finishing on a saline touch.
