LE SENTIER

An appealingly cherry red. Aromas of red and black fruit and pomegranate seeds announce a wine of great freshness and superb tension. An impression confirmed in the mouth that opens with fresh summer fruits such as wild cherry and finishes on more spicy, peppery and floral notes. A poised and magnificently balanced wine. Less complex than our cuvee Magdeleine (no barrel ageing), Le Sentier finds in the Domaine's terroir, so atypical for our region, a highly original source of expression for this classic Burgundy grape.
